SAINT REPORT

Your Confirmation is an opportunity to enter into a deeper relationship with God and with the Church. One Confirmation custom is to choose a new name to symbolize this relationship. This is when you decide to choose a saint's name or your Baptismal name since there is a close relationship between Baptism and Confirmation.

The early Christians took new names to reflect their "new lives in Christ" when they were baptized. Catholic saints throughout the centuries have been models of faith. Saints are ordinary people who do extraordinary things because they have faith.

In choosing a saint's name for Confirmation, it should represent the direction of your faith journey. This saint will serve as your mentor and spiritual guide by selecting their name to research. It is important to learn something about the saint you have chosen. The saints continued Christ's work on earth. We are called to do the same by virtue of our Baptism.
