

# Luke 15:8–10

*In Luke 15:8–10, Jesus tells about a woman who lost a coin. She searched and searched for it. She rejoiced when she found the lost coin. Like the woman, God searches for us when we sin. He rejoices when we are sorry and turn back to him.*

**Directions:** Draw the correct path through the maze to help the woman find her lost coin.

# Recipe for Forgiveness

**Directions:** Read the ingredients for a recipe for forgiveness. Write each ingredient inside the forgiveness jar. Then decorate and cut out the jar. Share the jar with a friend.

## Ingredients

Admit you have done wrong.  
Apologize.  
Forgive.  
Be a good friend.

## Session 22 Assessment

A. Circle the letter of the choice that best completes each sentence.

1. The lost sheep story teaches that Jesus is like a caring  
a. doctor.                      b. soldier.                      c. shepherd.
2. A person who does something wrong is like  
a. a lost sheep.              b. a happy sheep.              c. both *a* and *b*
3. A sin can be something we  
a. say.                          b. do.                                  c. say or do.
4. Sins hurt our friendship with  
a. God.                          b. others.                          c. both *a* and *b*
5. When we are sorry, we ask God for  
a. Baptism.                      b. forgiveness.                      c. excuses.
6. God's love is \_\_\_\_\_ than any sin.  
a. smaller.                      b. longer.                          c. greater.
7. God \_\_\_\_\_ forgives us.  
a. always                          b. sometimes                          c. never
8. We can forgive \_\_\_\_\_, as God forgives us.  
a. ourselves                      b. others                                  c. God
9. After the Greeting at Mass, we ask Jesus for  
a. better friends.              b. forgiveness.                      c. both *a* and *b*
10. When we hurt someone else, we can  
a. run and hide.              b. forgive him or her.              c. say we are sorry.

## Session 22 Assessment

B. Write the letter for the word that best completes each sentence.

- |             |           |          |
