SESSION 16

Our Daily Bread

In Jesus' time, bread was one of the most basic and common forms of food. It was also hospitality food, or food meant to be given away. In the Lord's Prayer, when we pray for our daily bread, we are asking God to give us what we need to sustain us and tend to the needs of others. What needs do others have? What can you give to others to help meet their needs?

Directions: In the left column, write some of the needs that people have—for example, to be loved, forgiven, and cared for. In the right column, write some ways you can help meet the needs of others—for example, by showing someone that you care or by being a good listener.
