SESSION 5

## Acts of the Apostles 5:12–16

*This passage shows how people gathered at the Temple in the hopes that the apostle Peter would heal them or their friends.*

**Directions:** Locate Acts of the Apostles 5:12–16 in the Bible and read it silently. Think of misfortunes or difficulties in your own life and the lives of others that need God’s healing. In the picture of Solomon’s portico below, write three of those difficulties: one having to do with the rest of the world, one having to do with your school, and one having to do with you or your family.
